DOTATION OF THE BIPM

At its 25th meeting (November 2014), the General Conference on Weights and Measures (CGPM) adopted Resolution 4 on the annual dotation of the International Bureau of Weights and Measures (BIPM) for the years 2016 to 2019, which sets it as follows:

2016:	11 980 000 Euros
2017:	11 980 000 Euros
2018:	11 980 000 Euros
2019:	11 980 000 Euros.

CONTRIBUTIVE PARTS IN 2017

The bureau of the International Committee for Weights and Measures (CIPM) has the honour to send Member States the Table of the Contributive Parts for 2017 (as given on the following page).

The repartition of the dotation for 2017 is based on the Scale of Assessments for the apportionment of the expenses adopted by the United Nations (UN) General Assembly in December 2015 for the years 2016 to 2018.

The repartition of the dotation for 2016, established in 2015 on the basis of the Scale of Assessments for the apportionment of the expenses adopted by the UN General Assembly in December 2012 for the years 2013 to 2015, has been recalculated on the basis of the Scale of Assessments applicable from 2016 and adopted by the UN General Assembly in December 2015. The resulting correction of the contributive parts for the year 2016 is taken into account in the present Notification.

Those Member States marked with an asterisk in the Table of the repartition of the dotation pay the maximum or minimum contribution. Except for these States, the repartition percentage is calculated by multiplying the UN scale by 1.178.

The contribution from the Bolivarian Republic of Venezuela is divided amongst Member States.

PAYMENT TERMS

The CIPM bureau recalls that, according to Article 10 of the Metre Convention, the contributive parts shall be paid *at the beginning of each year*. Drawn up in Euros, they are payable in Euros, or in any other currency convertible to Euros. Payment should be net of charge for the BIPM.

SUBSCRIPTIONS OF ASSOCIATE STATES AND ECONOMIES OF THE CGPM

In its Resolution 4 adopted at its 24th meeting (2011), the CGPM increased the minimum percentage for Associate States to 0.1 % of the annual dotation of the BIPM. The CGPM also decided that after an initial five-year period following accession to the status of Associate of the CGPM, if the CIPM considers, on the basis of the criteria it has adopted, that it would be appropriate for the Associate State to become a Member State, the amount of the subscription for such an Associate will be progressively and irreversibly increased each year so that after five years it reaches an amount equivalent to 90 % of the annual contribution it would pay as a Member State. This disposition has been applied to the following Associate States: Albania, Belarus, Costa Rica, Cuba, Ecuador, Estonia, Former Yugoslav Republic of Macedonia, Georgia, Jamaica, Latvia, Panama, Paraguay, Peru, Republic of Moldova, Republic of the Philippines, Ukraine and Viet Nam.
